# Tidelines Summer 2014

## Upcoming Events :

- 6 Jul East Coast Piers Race
- 21 Jul Cruise Crouch—SWFYC
- 2 Aug Cruise—Windfarm
- 23—25 Aug Burnham Week Race
- 6 Sept Late Summer BBQ

## RACING

A full race programme has been scheduled subject to conditions following last years well attended and successful days.

No experience required - all members welcome to join in with their boats or as crew. Enjoyable and mildly competitive spirit helps but not necessary.

*Race timers needed to record finish times please.*

## Past Events

## Club Open Day—28th June

Please do come along to our club open day to show who we are and what we do to members of the public. **Subject to operational commitments we hope to be joined by the local lifeboat and the marine police.**

## Phantom Open      31 May / 1 June

Creeksea once again hosted this event and there was a great turn-out from the phantom fleet.

The racing was very tactical due to low winds.

A big thanks to those who helped out over the weekend.

## Our Safety Boat

The boat is manned and operated by volunteers and will be out for specific events i.e. Open Day / Burnham Week and as required when there are crew available.

The inflatable rescue boat will be made ready to launch most weekends.

## The Mower Situation

A new mower has been purchased which is **ONLY** to be used in the car park and on the runways. Mowing around and under boats can be by strimmer or one of the old mowers.

Please take care on The Ramp as there is an accumulation of mud and weed growth in places. Various options are being looked into in order to clear this from the ramp.

## Potentially abandoned / unpaid boats

We continue to closely monitor the boats which appear abandoned or unpaid for as these take up valuable space in our boat park and action will be taken to have them removed or will be chased for payment.

## CRUISE Programme

A more leisurely sailing series  
14th June—Woodham YC, 1000 start  
21st July—Woodham YC, 1000 start  
*All subject to weather conditions*

Events : Rally with South Woodham Ferrers Yacht Club **14th June**—they are coming to Creeksea Sailing Club and may stay overnight.

The following weekend [21st June] is penciled in for us to visit SWFYC.
