## Past Events

**Laying Up Supper.** Held this year at the Crouch Yacht Club.

This was a well attended event in pleasant surroundings and the clubs trophies were handed out to the years worthy recipients.

The club relies on the membership to volunteer and make things happen. So here are two requests.

- 1/ The club will be 60 years in formation in 2017 we would like to start planning some celebrations for that event. A small sub-committee needs to meet occasionally to come up with and plan ideas and report back to the main committee. Step forward and make this go well.
- 2/ We would like to have the rescue boat out and available a lot more. Please arrive at the club in good time to assist getting it ready / and help putting it away. Also if you feel able to crew or even drive the boat do make yourself known to any members of the committee.

## RACING

This years racing has been well attended and a number of races resulted in congratulations to Barry Johnson for being the overall winner.

The next years calendar will include Sunday racing as this has proven quite popular with a start time of 1100.

*No experience required - all members welcome to join in with their boats or as crew. Enjoyable and mildly competitive spirit helps but not necessary.*

For 2015 we hope to additionally have some dedicated catamaran racing.

*Race timers needed to record finish times please.

**It is now the season of wet & wintery weather - do remember to ensure that your vessel is secure—well tied down and protected**

The codes for access to the car park and buildings will be changed this winter. The new codes will be sent out with your membership renewal. Membership runs from the start of the year unless you joined after Oct. 2014 in which case you can enjoy membership thru 2015
